ChurchPak

Interactive Web Site

interPak's **ChurchPak** enables you to place your ministry online with complete control over the content, graphics and layout of your Web site. Interactive capabilities will afford you the ability to proactively send e-mail notices to your Membership, pull them back to the Web site for more detailed information, as well as provide for Feedback or other online Call To Action requests.

Expand your Ministry's reach and keep your Membership informed of the latest news, events, activities and schedule changes; easily and inexpensively!

Online Donations, as well as Gifts can be included to your Web site.

Provide an online Membership Directory as well as an online discussion forum (Chat Room) to encourage Ministry participation.

Some of the features and functions available to you with interPak's ChurchPak are listed below
